

Kindergarten

Our goal is to help students become independent thinkers with a positive self image. Christian values and leadership skills are incorporated into an academic curriculum that creates "super" reading skills.

Curriculum

Language Arts:

Super Kids Series reading program, supplemented with Lippincott Beginning to Read, Write and Listen:

Teaches phonemic awareness, phonics, Vocabulary, comprehension and fluency, spelling, handwriting, grammar and mechanics, oral and written expression.

At home reading program: Super Books Supplemental Reading Program

Math:

New Way in Numbers

Shapes, colors, size, classification, positions, patterns, addition, subtraction, fractions, measurement, problem solving.

Religion:

Walking by Faith - K Level

Bible stories, Religious songs, Christian Values

Science:

Why, When, Where

Library/Computer:

Educational computer games, Filmstrips, reading material

Assessment:

Mid-year Pre Reading Skills, End of year Reading Skills
