Dear St. Monica Students and Parents,

Wishing you and your family many blessing this Christmas season and through next year. Looking towards the future, St. Monica will continue to have a Softball team for Middle School girls. I am very excited to announce that we will have a Baseball team for Middle School boys! All students can play in teams outside of St. Monica while also playing on our school's team. Tryouts will not be until February, but all physicals must be completed or updated, if they are older than one year, to participate. More information will follow.

For now, I would like to know who is interested in playing Softball or Baseball. I will also need to know who is interested in coaching or helping coach either team.

Please return this flyer with your son/daughter's name as soon as possible to Mrs. Mylacraine so that she can evaluate if we have enough of an interest to have the teams and to order the necessary amount of uniforms.

Sincerely,

Joanne Mylacraine
